## Benefits of the COVID-19 Vaccine

The COVID-19 vaccine will help us get back  
to the people and places we love

### 1 COVID-19 vaccination will be an important tool to help stop the pandemic.

It's important for everyone to continue using all the tools available to help stop this pandemic as we learn more about how  
COVID-19 vaccines work in real-world conditions. Cover your mouth and nose with a mask when around others, stay at least  
6 feet away from others, avoid gatherings, and wash your hands often.

### 2 Vaccination will help protect you from getting COVID-19.

All COVID-19 vaccines available in the United States have been shown to be highly effective at preventing COVID-19 by  
creating an antibody response without sickness. Getting vaccinated may also protect people around you, particularly people  
at increased risk for severe illness from COVID-19.

Depending on the specific vaccine you get, a second shot 3-4 weeks after your first shot is needed to get the most protection  
the vaccine has to offer against this serious disease.

### 3 The safety of COVID-19 vaccines is a top priority.

The U.S. vaccine safety system ensures that all vaccines are as safe as possible. More than 70,000 people participated in  
clinical trials for two vaccines to determine safety and effectiveness. To date, the vaccines are nearly 95% effective in  
preventing COVID-19 with no safety concerns.

vaccine and where you can get vaccinated:

# Prophetic Note for 2022

## Isaiah 42: 9

Behold, the former things are come to pass, and new things do I declare: before they spring forth I tell you of them.

## Isaiah 43: 18-19

Remember ye not the former things, neither consider the things of old.

Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, *and* rivers in the desert.

# Prophetic Note for 2022

God has placed a grace on this ministry to pursue new territory, and take new approaches to ministry. While it's not new to God, it will be new to this house.

Calvary: prepare for the new things that God will grace us to do this year.
